

Letter of Certification:

I hereby certify that AyuRythm's mobile phone based pulse diagnosis (nadi pariksha) application is consistent with assessment described in Ayurvedic classical texts. In our opinion it provides a reasonable approximation of Vikriti or current Doshic Predominance (Kapha, Pita or Vata) in individuals and is suitable for wellness application for healthy individuals interested in Ayurvedic lifestyle. We compared the dosha predominance detected by AyuRythm against physician's diagnosis found accuracy to be about 85%.
